

## VERDUZZO

[I.G.T. Venezia Giulia]

Made from another of Friuli's famed varieties, intense yellow in colour with, at times, hints of gold. Nose defined by aromas of fruit and wisteria flowers. Full-bodied and slightly tannic. Just enough of a slight, sweetish element to complement dessert and cheeses perfectly.

*Species of grape:* Verduzzo

*Denomination area:* Verduzzo IGT Venezia Giulia

*Terrain type:* generally flat with gravelly substratum covered by a layer of soil;

*Cultivation system:* Guyot

*Density:* 4500 plants to hectare
